

CPQ-80
SECTION 34
M.I.T.
E.J. N.40

The image shows an archaeological excavation of a dirt surface. A red and white striped scale bar is positioned horizontally above a small black label. The label contains white text identifying the site as CPQ-80, SECTION 34, and M.I.T., with a specific location marker E.J. N.40. The ground is uneven, with several large, light-colored rocks scattered around the central area of interest.
